To support good infection control, we ask that all visitors to the home make use the alcohol gel dispensers that are available at the entrance/exits of the care home upon both arrival and departure.

MOVING & HANDLING

Our staff are trained to ensure that residents are moved in such a manner as to minimise the risk of injury to both the resident and members of staff involved. We therefore ask that the relatives and visitors do not attempt to lift or mobilise residents who are unable to do so for themselves, but that they request assistance from a member of staff.

Entry codes will be changed from time to time to maintain security, but we ask that regular visitors assist by not giving the code to strangers or less frequent visitors of the home. We also ask if anyone sees anything or anybody suspicious they alert the staff immediately.

STAFFING & MANAGEMENT
